

FOR IMMEDIATE RELEASE

Wellsoft EDIS Ranked #1 Category Leader for the Emergency Department Segment in 2019 Best in KLAS: Software and Services Report

Wellsoft achieves the top ranking for the fourteenth time.

Somerset, NJ – February 7, 2019 – Wellsoft Corporation, the industry leader in Emergency Department EHR technology, is pleased to announce it has been named a Category Leader in the recently published [2019 Best in KLAS Awards: Software and Services](#) report, ranking them #1 in the Emergency Department segment. Wellsoft consistently demonstrates industry leadership in the Emergency Department market, having been named the top-ranked EDIS (Emergency Department Information System) for the fourteenth time by KLAS, an independent research organization.

“Category Leaders are committed to providing the very best technology, service, and guidance to providers and payers,” said Adam Gale, President of KLAS. “The Category Leader award carries with it the voice of thousands of providers and payers, highlighting outstanding vendors who have raised the bar.”

Wellsoft continuously strives to meet the needs of clinicians, IT and hospital administration, as supported by the following user commentary collected by KLAS*:

“Our staff members who have used more than one ED system prefer Wellsoft EDIS. **The ED system offered by our EMR vendor doesn’t compare to it.**” *Manager, May 2018*

“We haven't seen any limitations in Wellsoft EDIS. **The vendor has gone out of their way to connect the system to our EMR...**We have physicians that work all over, and they give high reviews of Wellsoft EDIS.” *Clinician, April 2018*

“I would tell anyone considering Wellsoft that the system is an amazing piece of software and that the company is first class. **Wellsoft has been number one in KLAS ED ratings for a long time for good reason.**” *Clinician, February 2018*

“**We are expanding Wellsoft EDIS within our organization because it is such a great product.** We will be working with Wellsoft to develop an observation module so that we can observe patients overnight.” *CIO, June 2018*

Wellsoft has ranked #1 in the 2019, 2018, 2017, 2015/2016, 2014, 2013, 2012, 2010, 2009, 2008, 2007, 2006, 2003 and 2002 Best in KLAS Awards: Software & Services report in the Emergency Department
